

The Guild at Dorset Arts and Crafts Association Exhibition

1 - 5 August 2025

The Guild was well represented at the exhibition with many members demonstrating in our gazebo over the five day period.

On the left - Gaye demonstrating spinning.
Below - Karen demonstrating tablet weaving.

Just two members of the Guild entered their work into the competitions.

In future years it is hoped that more members will be encouraged to enter their work.

See examples of Clare and Margaret's work below.
