

Open Day at the Guild

September 2025

What a day! Our annual Open Day attracted lots of visitors and resulted in our membership growing again; we'll be welcoming at least 14 new members, possibly as many as 17.

Visitors were hugely impressed by the wide range of fibre-related crafts on offer, and the level of skill, knowledge and sheer inspiration available to tap into. Many said that they'd had a wonderful day and that they'd had no idea what fun our crafts could be.

The cake and refreshments stall also came in for plenty of acclaim, as did the Sales table, and people were delighted to find David Herring and Josh with their wares, and realise that they have a strong connection to the Guild.

The overall impression was of a hall full of colour, fluff and bustle, positivity, and happy, interested people;

The Committee deserve a round of applause for organising a very successful day, but this would not be possible without the support of all the members.

So a big '**THANK YOU**' to all the demonstrators, the cake-bakers, and everyone who gave their time and effort to make it such a lovely day.
