

September 2026

Open Day

The Guild opened its doors to another successful Open Day. The hall was a hive of activity with demonstrations of weaving, spinning, dyeing and felting. As it was such good weather all the dyeing was set up outside.

There was a Sales table just waiting to tempt both members and visitors with its wares. Members were on hand to 'Meet and Greet' visitors. Tea, coffee and delicious cakes and pastries were available for everyone.

The library was also open with a selection of books for all our crafts.

David Herring also came along with his Pop-up Shop.

At times the hall was heaving with visitors and we enrolled 9 new members with more saying that they would join in January.

Members setting up the hall prior to opening

Selection of library books

Sales Table

David Herring's Pop-up Shop

A selection of cakes and pastries

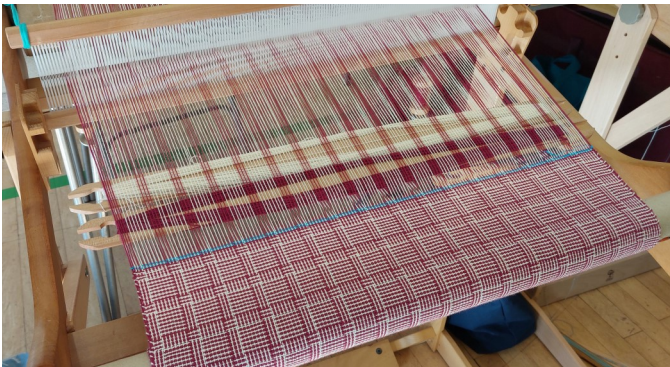

Examples of Weaving on display

Inkle loom weaving

Rug weaving

Weaving on a rigid heddle loom
